

VITAPio®

MULTIVITAMIN

with electrolytes

VITAPio is a vitamin-mineral therapy to prevent and control the stress state of birds, due, among other factors to;

- Handling: vaccinations, weighing, beak`cut, transportation.
- Diseases of nutritional origin, infectious or parasitic.
- Inadequate water and/or food supply
- Poor regulation of ventilation and/or caloric source.

VITAPio is an integral and balanced formula of vitamins and electrolytes.

VITAPio unlike other anti-stress products, it has high solubility.

VITAPio provides the drinking water an orange hue which allows it to show its medication, as well as being very attractive for the bird.
